## We Serve

## 108 Mile Ranch Lion's Club

## Lions are Ready to help

Whenever a Lions club gets together, problems get smaller. And communities get better. That's because we help where help is needed – in our own communities and around the world – with unmatched integrity and energy.

We are one of the most effective service club organizations. We get the job done.

Everywhere we work, we make friends. With children who need schoolbooks, with seniors who need transportation and with people we may never meet.

We're led by talented, dedicated volunteer leaders from around the world. And, we're supported by the Lions Club International Foundation (LCIF), which helps to fund Lions humanitarian projects.

## Become a Lion

Right now, Lions are improving communities around the world. Men and women are volunteering their time to humanitarian causes by conducting service projects and raising funds to help those in need, wherever need exists. Lions participate in Service activities such as collecting eyeglasses for the Sight First program and emphasizing diabetes awareness.

There are many reasons to become a member. As a Lion, you'll:

- Help your community
- Gain valuable skills
- Make an impact on people's lives, both locally and internationally
- Learn to be a leader – and lead a respected organization
- Network with business people in your community and around the world
- Energize your life and have fun

You'll grow personally and professionally. And you'll know that what you do is worthwhile and appreciated.
