

Special Meeting to discuss 2017 Goals Sunday, September 17, 2017

Present - Ingrid, Larry K., Kathie K., Don, Gary, Dan and Bev

Called to order at 10:25 am.

Discussion regarding grants that might be available to us. Gary offered to talk to Ralph Myhill-Jones about grants.

Goals;

1. Install perimeter drain tile around entire building
2. Replace siding
3. Paint interior walls and ceilings
4. Washrooms reno
5. Seal coat entire parking lot

Don suggested we contact our insurance company regarding water damage in the basement. Bev offered to call Steve Pellizari. Bev also offered to talk to Kai Rasmussen as he was one of the original builders of the hall, hoping he can shed some light on the foundation and construction of the hall. Dan suggested the drop-ceiling be cleaned in the main hall. The heat-exchanger on the roof should be inspected by Markey from Williams Lake perhaps. Dan to call Joe Shaver first to see if he can do it. Ingrid offered to contact Colleen Rob and Donna Barnett regarding grants. Ingrid will also speak to Larry Davis regarding grant information.

Discussion switched to snow removal from around the perimeter of the hall (against the building). Gary offered to call Gerry regarding snow removal next winter. Bev will talk to Carol to see if she needs a back-up person to do snow removal.
